

2025 City of Philadelphia Combined Campaign Contributors' Guide

The City of Philadelphia 2025 Employees' Combined Campaign

October 20 - December 12, 2025

For over four decades, the Combined Campaign has been one of the most successful municipal giving campaigns in the country, thanks to the generosity and kindness of our employees. It needs no mention that these historically unprecedented times have affected every facet of our daily lives. As both employees and residents of this city of brotherly love, we have seen firsthand the desperation, kindness, need, fear, loss, and love that has rippled through our streets and our homes. It is for these reasons that this year's Combined Campaign is essential- for those who need to receive, and for those who can give.

The Campaign gives you the opportunity to contribute to pre-vetted charities using the convenience of payroll deduction, credit card, and electronic check. Our goal for this year's Campaign is not about dollars, but participation. Our goal is for at least 15% of Philadelphia municipal employees to participate in the Combined Campaign this year. Whether you choose to donate via payroll deduction throughout the year, or simply participate in a small department fundraiser, your support is what matters. For the more than 300 pre-approved charities that are helping to feed the hungry, shelter the homeless, protect our environment, assist our youth and the elderly, every dollar counts. Please review this guide to learn more about the causes you can support through the Campaign and how you can easily give Gratephilly to the charities close to your heart.
